

NZ INTERNATIONAL COMEDY FESTIVAL

Allan Maclean
Maclean Computing Limited
PO Box 90-400
AMSC
Auckland

Dear Allan,
Firstly my sincere thanks to you and your team for providing us with such great service, and an integrated solution for our IT needs.

As New Zealand's only Comedy Festival, and indeed the only Festival in this country that takes on both Auckland and Wellington simultaneously our IT needs are quite diverse to say the least.

With over 89,000 New Zealanders joining us in laughter for 3 weeks each year, and over 300 comedians nationwide and around the world, email and web are our primary communication and marketing tools.

Our Account Manager Mike Lough came and met with us to discuss a complete upgrade of our computers and IT system. His assessment of our needs was concise and his solution package was perfect. So perfect in fact that when we applied for ASB Community Funding to support our upgrade we were accepted.

Our new system not only functions superbly, but also it has given us the ability to be able to safeguard our intellectual property and ensure that we are able to provide a better service to both our performers and our audience.

We would have no hesitation in recommending Maclean Computing Limited to other organisations looking for a quality I.T. partner.

Hilary Coe
Festival Director
